Notification.

Applications are invited from Indian nationals below 28 years of age and particularly from College students for training in Flying.

The Government of India have drastically reduced the Flying fees from Rs. 25 to Rs. 10 per hour.

This enables the student to obtain his 'A' licence in Flying within Rs. 300, if the student is of average ability.

The trainees should be below 28 years of age and must have good physique and eye sight.

They must have passed the S.S.L.C. examination or must be of that standard with a very good knowledge of English.

The course is open for admission subject to being medically fit.

Each trainee should pay a membership fee of Rs. 5 per month.

'A' Licence.—The 'A' licence standard is taken up by most people as a hobby. But young men of the Colleges and members of the National Cadet Corps have a definite advantage if they choose to join the Indian Air Force. They will be shown a concession in the age if they want to appear for the commissioned ranks in the Indian Air Force. It is therefore very advantageous to College students and candidates of the N.C.C.

For the 'A' Licence course a trainee has to put in approximately 20 hours of Dual Instruction and 5 hours of Solo, and pass the flying tests as well as written examination conducted by the Director General of Civil Aviation, New Delhi. This examination is held in Bangalore. The period required for obtaining the 'A' Licence is three months, depending upon the ability, capacity and aptitude of the trainee. The written examination is held once in three months in December, March, June and September of each year. It consists only of one paper and a candidate will be declared to have passed the examination if he obtains not less than 75 per cent.

Hours of training.—Flying training is imparted both in the mornings and evenings, by well qualified experienced pilots.

Press Note

An aeroplane flying low over the Devaraja Market area in Mysore City at about 3 P.M. on 7th October 1954 frightened the bullocks, which were hauling a gun carriage to Banni Mantap, near the Old Mysore Bank Square on the Sayyaji Rao Road. The bullocks went out of control and rushed into the crowd which had collected to witness the Dasara Procession scheduled to commence at 4-16 P.M. As a result of this stampede caused by the frightened bullocks, 33 persons received injuries and 25 of them were admitted as in-patients in the Krishnarajendra Hospital and the rest were treated in the out-patient ward. One of the injured died in the hospital and another was discharged. The other 23 persons are under treatment.

The Chief Minister and the Home Minister visited the Krishnarajendra Hospital on 8th October 1954, made enquiries and felt sad about the incident. They expressed their sympathies to the injured and to the relatives of the deceased.
